St. Paul's Eating the Alphabet

For 3/4 & Pre-K

Eating the Alphabet begins in the kitchen and uses cooking to have fun with math, reading, science, and social studies. Children will cut, count, weigh measure and read and write their own recipes. All with kid safe tools! The class will explore where food comes from, a variety of cultural foods, and healthy eating!

And, each child will decorate their own apron and build their own cookbook with recipes and reviews!
