St. Paul's Picasso Kids Enrichment

Established October 1991

There are four sessions of Picasso Kids and each one offers your child the opportunity to learn about art and try creating beautiful works of art themselves.

Mrs. Wiltshire introduces children to a variety of mediums and styles as they explore art from paint to pastry! Children learn about different artists and learn about line, perspective, and color in hands on lessons created just for them.

At Christmas, children participate in decorating a Gingerbread house for display in Peddler's Village. In the past, Picasso Kids have won several ribbons for their entry!

Put the A (for art) in STEM and
make learning STEAM!
