St. Paul's Picasso Kids Enrichment with Lunch*

There are four sessions of Picasso Kids and each one offers your child the opportunity to learn about art and try creating beautiful works of art themselves.

Children are introduced to a variety of mediums and styles as they explore art from paint to pastry! They will learn about different artists and line, perspective, and color in hands on lessons created just for them.

At Christmas, Picasso Kids participate in decorating a Gingerbread house for display in Peddler's Village. In the past, Picasso Kids have won several ribbons for their entry!

Put the A (for art) in STEM and make learning STEAM!

*you provide a bag lunch (no Heat ups)
