I have read and agree with the registration and tuition agreement policies as stated in the brochure, registration packet and on the tuition/fees rate sheet. I will be responsible for payments as outlined. All classes offered are subject to enrollment at a full class basis. We do not accept requests for placement with specific teachers or children. The \$100.00 (1 child) or \$185.00 (family) registration fee is enclosed and is non-refundable. All preschool students must pay one month of tuition by June 15 to secure their class placement. This payment will be applied to their last month's tuition payment. All students must be paid in full for the previous school year by July 1 for preschool and by Aug. 31 for extended hours to secure their class placement for the coming school year.
