St. Paul's Science Central Enrichment

There are four sessions of Science Central, and each one introduces new, exciting topics designed to support a child's natural curiosity about the world around them.

Science central offers the opportunity to learn about the world around us with hands-on experiments and observation. Children engage in Science, Technology, Engineering and Math (STEM).

Topics include:
Magnets, Sound, Electricity,
Insects, Plant Life, Ocean Life,
Simple Physics, Space, Cooking,
Weather, Animals and Pets.

Children participate in building a Gingerbread house for display in Peddler's Village and Green Thumbs visits with Mrs. Merz.
