## St. Paul's Science Central Enrichment with Lunch\*

There are four sessions of Science Central, and each one introduces new, exciting topics designed to support a child's natural curiosity about the world around them.

Science Central offers children the opportunity to learn about the world around them with hands-on experiments engaging them in Science, Technology, Engineering and Math (S.T.E.M.).

Topics include:  
Magnets, Sound, Electricity, Insects,  
Plant Life, Ocean Life, Simple  
Physics, Space, Cooking, Weather,  
Animals and Pets.

Children participate in building a  
Gingerbread house for display in  
Peddler's Village and Green Thumbs  
visits with Mrs. Merz.

\*You provide a bag lunch (no heat ups).

# St. Paul's Preschool Science Central Application

Mondays 11:30pm - 3:00pm  
includes 1 hour for lunch \*
