

St. Paul's Preschool COVID-19 Decision Tree for Individuals who have not been vaccinated

Follow the appropriate path if a child, student, staff person, or member of your household is experiencing the following symptoms consistent with COVID-19:

- **Less common:** sore throat, nausea, vomiting, diarrhea, chills, muscle pain, excessive fatigue, new onset of severe headache, new onset of nasal congestion or runny nose.
- **More common:** fever greater than or equal to 100.0° F, new onset and/or worsening cough, difficulty breathing, new loss of taste or smell.

* St. Paul's Preschool reserves the right to exclude children based on evaluation of symptoms following assessment by St. Paul's Staff and Administration and may require a doctor's note or negative test results for readmission. 3/25/21

ST. PAUL'S PRESCHOOL TRAVEL GUIDELINES

In order to provide a safe environment and keep all our staff, families, and students safe and healthy during the COVID -19 pandemic, and in order to ensure that we are able to continue remain open to provide care, we have updated the following travel guidelines .

If at all possible, avoid travel or visitors to/from out of state.

Staff and students who travel outside of the tri-state area (Pennsylvania, New Jersey, and Delaware) for more than 24 hours must be symptom free and are required to have a viral COVID-19 test taken after return. Proof of negative test results must be provided . This applies regardless of vaccination

This does not apply to:

- Individuals traveling to and from Pennsylvania for the purpose of work
- Individuals who are returning to Pennsylvania after traveling outside Pennsylvania for less than 24 hours

The CDC still reminds us that “Travel increases your chance of spreading and getting COVID-19. CDC recommends that you do not travel at this time. Delay travel and stay home to protect yourself and others from COVID-19.”

- Preschool and Extended Hours families may use three days COVID related credit if previously unused
- Extended hours families may use available vacation days

More information regarding travel recommendations from the CDC and the state of Pennsylvania can be found on-line at:
